1

Technical Skills Development

1.1 Describe areas for development in your current knowledge, understanding and skills

What are your current knowledge and understanding in film? (Consider: genres; documentary styles; directors, actors/presenters, score, style)	I Think that I have a good knowledge about film
Do you have specific areas of interest or skills in filmmaking? Writing? Sound? Edit? Camera?	I love all tyes and areas of filmaking but i love animation and Camera.
Are you studying / working at the moment?	I am at collage and have a part time job
Have you done film or other creative media work already? Please add links to film work, photos, music etc.	I have filmed some short films with my friends and I am doing media Production in school
What areas of your film production knowledge, understanding and skills would you like to improve? Give reasons.	I would love to improve on Camera and writing because it will make the short films which i am doing with my friends much better and when I get a job in the industry i will be more employable
What role(s) would you see yourself taking on your Academy film?	i would like to be director and writer but i feel like being put in a role will be good to branch out and try new things
What do you hope to gain from the BFI Film Academy?	i would like and hope to gain the knolege of how to work in and around a film set and be able to work in one without fail
Do you have plans to further study and work in film or wider creative media?	i would love to try and some runner jobs and hopefully that will lead to doing Camera work one day
